

# CG GIRLS' BASKETBALL – Grades 2-4

Dear Parent/Guardian:

I know that it is early to begin thinking about basketball, but I wanted to get this out to you before you start receiving registration for Upwards or the YMCA League (which they are more than welcome to participate in). We will be having a basketball program here at Columbus Grove for girls in grades 2-4. Practices will be on Saturdays from 8:30-10:00; the first part of practice will focus on ball-handling skills and proper shooting form. Then, during the last part of practice each team will get to play 1 or 2 games; family members may watch although there is somewhat limited seating available. Games will not be played the first several sessions to provide more time to work on skills and split the teams up reasonably well. The cost for your daughter to be in this program would be **FREE** although she would need a red/white reversible practice jersey for games if she does not have one. The first practice would be on **DECEMBER 2<sup>nd</sup> FROM 8:30-10:00**. Our main goals for this program is to have fun and improve individual skills along the way.

Grade 4 will practice on their own once a week (if it fits the coaches' schedules) in addition to the Saturday practice. Day and time will depend on gym availability (and coaches' schedules). I am currently looking for other 4<sup>th</sup> grade teams in the area to schedule games.

**If you have any questions, ideas, or would like to contact me, my information is below.**
