Employment of registered nurses is projected to grow 15 percent from 2016 to 2026, much faster than the average for all occupations.

--Bureau of Labor and Statistics

January 19, 2018

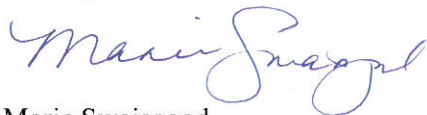

Blanchard Valley Health System (BVHS) has the privilege of offering community students and BVHS associates scholarship opportunities to pursue healthcare careers including nursing.

To peruse these scholarship opportunities, including a complete listing of assistance, applications, deadlines, qualifications and contact information please visit www.byhealthsystem.org, then click on Health Care Professionals on the home page to access scholarship information or contact the designated scholarship chair for more information (see website).

Enclosed you will find the 2018 spreadsheet highlighting available scholarships through the Blanchard Valley Health Foundation. For questions regarding scholarships listed you may contact our office at 419-423-5457

Please feel free to share these scholarship opportunities by copying and/or distributing information to students as needed.

Thank you,

Marie Swaisgood
Blanchard Valley Health Foundation
