

The Henry Fought Memorial Scholarship Fund Committee and the family would like to extend their sincere appreciation to each school and guidance counselor that have helped any applicant in the past. From this point on, the scholarship fund will be made into a book scholarship. Requirements will change a great deal. The book scholarship will be a random drawing from the applications received before the deadline. The amount and number of recipients will be determined after the fundraiser. Thank you for your continued support and for believing in our youth as much as we do!

The Henry Fought Memorial Book Scholarship

Applications will be received before April 1st.

The application will include:

High School attending

Current GPA

College attending
