

LIMA MEMORIAL HOSPITAL AUXILIARY

SCHOLARSHIP APPLICATION FOR STUDENTS ENTERING A HEALTH-RELATED CAREER PROGRAM

Lima Memorial Hospital Auxiliary is pleased to award two \$1,500 scholarships to eligible students entering a health-related career program. (Three \$2,000 scholarships will also be awarded from the L.M.H. Nurses' Alumni Association for someone who is enrolled or planning to enter the nursing field.) The purpose of these awards is to help students who genuinely wish to pursue or are already pursuing the health-care field. Those eligible for the scholarship award will broadly represent the community serviced by the hospital, and selection will be made based on academic performance, demonstration of health career interest, personal interview findings and availability to attend presentation luncheon.

A minimum GPA of 3.0 is required. Attendance at the Lima Memorial Hospital Auxiliary General Meeting Luncheon on Wednesday, June 19, 2024 is highly encouraged.

Recipients of Lima Memorial Hospital Auxiliary Scholarships are permitted to accept scholarships from other sources. The check will be sent directly to the college of the recipient's choice and will be made co-payable to the college and the student. If the student terminates his or her education, he or she should consider it a moral obligation to repay the scholarship, except when the cause of termination is due to extenuating circumstances beyond his or her control.

Please give detailed and explicit answers to all questions in the student portion of the application. Once you have completed the student's portion, return it to your counselor to fill out the GPA portion, and ask the counselor to mail the completed application, along with the Educator's Report to the Scholarship Committee at the address below.

**ALL FORMS MUST BE MAILED TOGETHER TO THE BELOW ADDRESS.
INCOMPLETE APPLICATIONS OR THOSE RECEIVED AFTER THE DEADLINE
