

2018 Homecoming Parade

Dear Parent/Guardian,

We are excited that your child/student is going to be a part of the 2018 homecoming parade. In the past, parents expressed concern regarding the heavy traffic that children had to navigate. To create a safe environment we have streamlined the drop-off point for children for the parade.

From 4:45 to 5:25 on Friday, October 12th, the entrance to the American Legion will be blocked off at the alley that intersects with Plum St. Parents are asked to enter on Plum, drop their children at the drop point and exit via the alley. For the duration of drop off there will be a one-way traffic pattern.

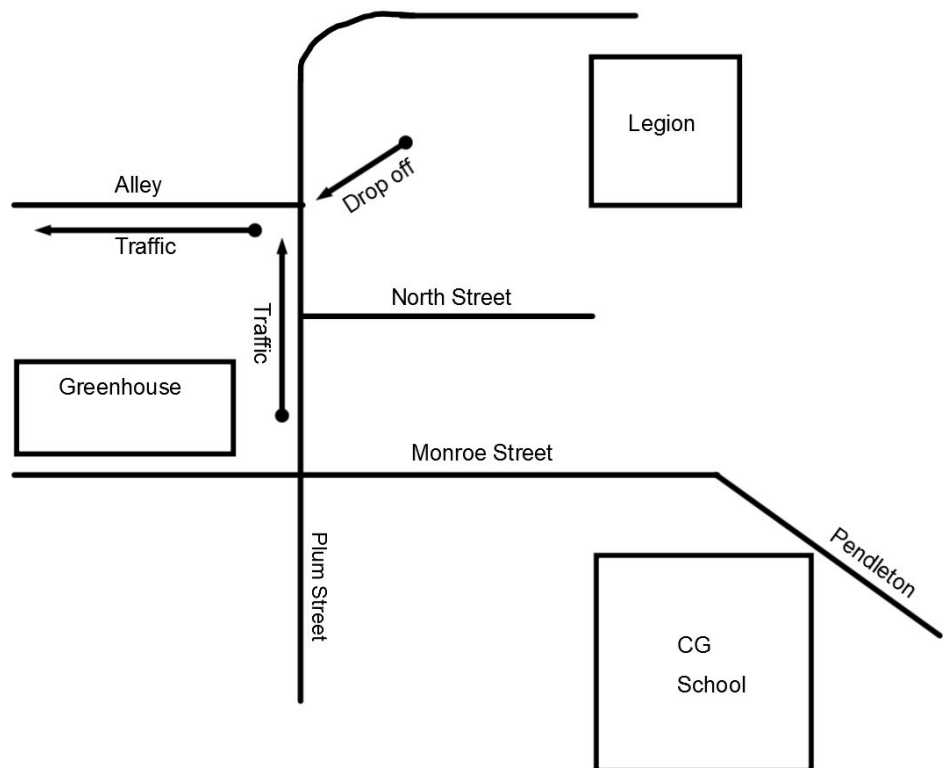

For children who are too small to walk by themselves, student council representatives will be standing by to escort them.

We are looking forward to another fun-filled and safe community parade. Thank you for your participation!

Sincerely

Kristal M. Pingle

Student Council Faculty Adviser

In past years, parents of children involved in the homecoming parade have expressed concern about the exposure of their children to traffic. In an effort to create a safe traffic environment the following steps have been taken to streamline traffic flow at this years parade:

- It is requested that floats arrive before 4:45
- There will be a parade coordinator stationed at the entrance to the Legion and will direct floats to their designated spot.
- Beginning at 4:45, Plum St will be blocked off at the intersection with the alley. The traffic will be one way beginning at Plum St and moving towards the legion. Parents with children are asked to enter at Plum St and drop their children off at the alley intersection before exiting down the alley.
- If children are too small to walk the distance to the Legion by themselves there will be student council representatives available to walk with them.
- For your convenience a letter to the parents and map has been included with your packet. Feel free to copy this and distribute to parents as needed.
