## CG Band Wins Star Wars Contest!

Music classrooms around the state were challenged to make a 30 second video showcasing music from the Star Wars series for entry into a chance at winning tickets to a Toledo Symphony performance of *Star Wars: A New Hope* on a "May the 4th be with you" concert. Columbus Grove Band's video won this statewide contest! Over 50 CG band members will be attending the May 4 concert in Toledo for free! Kudos goes to our music department for their efforts and creativity. Enjoy the concert, band members! To view the winning video that was submitted by the band, go to the district's website (<http://cg.noacsc.org/>) and click on the link provided.

## Get the Latest Information on CGHS Sports!

You may have looked in the Lima News last weekend to catch the news on the Bulldog Track Invitational, which was held on Friday night. Unfortunately, there was no coverage. This is an excellent reason for you to go online to the school district's website (<http://cg.noacsc.org/>) and click on "Athletics" on the menu which is located on the left side of the front page. This will take you to our new athletics webpage which was launched a few weeks ago. Our track coaches loaded the entire list of results for the meet, both for team and individuals. Also, the varsity baseball team played a doubleheader versus Maumee Valley Country Day on Saturday. On Sunday morning, the information regarding these games (CG swept MVCD) was on the new sports website as well. You may want to mark this page as a favorite for access to CG sports! Many thanks go to our athletic department, coaches, and Mr. Schafer's media class for providing such comprehensive coverage of CGHS athletics.
