No school

Freshman attend Apollo 's Career Connections tour

The students were able to choose three different programs that they wanted to learn about. This included every subject; from culinary arts to robotics. The students were able to see what a typical day would be in these certain programs. The programs give the students training and skills to either go straight into the workforce after high school or further their career/education at the college level.

September Bulldog of the Month

Congratulations to the following students who were chosen as CG September Bulldogs of the Month and Ms. Daley who was chosen as our Teacher of the Month. Thank you for demonstrating outstanding Bulldog character both in and out of the classroom.
