This award will identify and provide aid to an academically outstanding high school senior each year, who's parent or legal guardian is employed full time as a PRO-TEC Coating Company associate, who demonstrates leadership and service, so they might pursue a degree at an accredited four-year college or university of their choice.

Scholarship Award

PRO-TEC Academic Scholars are awarded up to \$5,000 per year for four years while they are in college provided they maintain good academic standing. The scholarship is restricted to payment of actual costs of Scholar's tuition, room and/or board and may not be used for books, fees or incidental expenses.

The PRO-TEC Human Resources Department will manage and administer this award. As part of the process, The Putnam Educational Foundation (PEF) will collect the applications and oversee a Foundation Selection Committee who will coordinate the selection process to select the annual scholarship recipient. The scholarship will be awarded on the basis of academic performance, demonstrated leadership and community service as outlined in the approved criteria from PRO-TEC.
