

THE DOORYARD GARDEN CLUB SCHOLARSHIP

We would like to invite all young women in the county who are pursuing a career in Agriculture, Horticulture, or Environmental Studies to apply for this scholarship. This scholarship is given in honor of Rosemary Lammers who started the club more than 40 years ago.

The scholarship is for \$500.00 and will be given to a graduating senior or college student upon the completion of her first semester.

A committee from our club will review the applications and make the award. This requires that the young lady has been accepted at an accredited school.

Applications are available through the high school counselor or through the Putnam County Extension Office located on Second Street in Ottawa, Ohio.

Send the completed form to:
Pat Kaple, 276 Northview Court, Ottawa, OH 45875

Application deadline: May 31, 2025

Name:

Address and Telephone:

High School and Year of Graduation:

Where have you been accepted:

Plans for the use of this scholarship:

What created your interest in this area of study?

What are your plans for five years from now?

Tell us about yourself and your background.

(You may use another sheet of paper for these answers.)
