You can register on our website (cg.noacsc.org) by clicking the link in the Parents/Student/Community tab or you may contact the school at 419-695-2631 and we will walk you through the registration process.

Thank you to these National Honor Society members for volunteering at the December Red Cross Blood Drive and for making these beautiful blankets to be given to the local hospitals for some children needing a nice cozy blanket while they are being treated.

The 5th and 6th grade Tag students recently completed a tree project in which they identified over 80 trees in and around Columbus Grove. They had to provide the following information for each tree: Common name, scientific name, leaf type/shape/arrangement/color, bark color/texture, fruit/seeds/nuts if any, height, and location. They identified 15 different Evergreens, 9 Maples, 9 Oaks, and 7 varieties of fruit trees.

6th grade TAG students are: Rose Siefker, Ella Schroeder, Ella King, Becca Hoover, Claire Koch, Brody McCluer, AJ Doseck, and Griffin Zarse.

Athletic Boosters' Reverse Raffle

This year's plan is to host the Reverse Raffle on Saturday, March 26, 2022 at the American Legion. The boosters plan to make this a full-scale event, so mark your calendars now!

Letters were sent to individuals who purchased tickets last year, as they will have first priority to order tickets. After February 4th, tickets may be purchased at the high school office. Price per ticket is \$60, and it includes a steak or chicken dinner with a baked potato.

This year's officers are Matt McCauley (President), Melissa Basinger (Vice President), Leslie Schumacher (Secretary), and Amy Young (Treasurer). We thank these individuals for their service and thank our community for your continued support of the CG Athletic Boosters!

Mrs. Fought's sewing class made decorative pillows and they turned out great!

January Senior in the Spotlight

The Columbus Grove High School Guidance Department will be recognizing one senior each month to spotlight. The advisers for LEO Club, Student Council, National Honor Society, Scholastic Team, and Class Officers have been asked to nominate students in their organizations that have stepped up to take a leadership role at Columbus Grove High School. In addition, the students have maintained their grades while participating in their extracurricular activities. Students will be awarded a certificate, given a small gift and recognized at the Senior Academic Awards Night in May.

Congratulations to Luke Kaufman for being selected for the January Senior in the Spotlight. Luke is the son of Roger Kaufman and Jacki Kaufman. He was nominated for excelling at Apollo Career Center in Electrical Systems Technology. Currently, Luke is completing an apprenticeship with Spring Electric. He is a leader, hard working and sets a good example for other students in the classroom and in athletic competitions. He is an outstanding student academically and maintains excellent grades. He is active in Columbus Grove athletics, where he is a football player and track member.

According to Mr. Schafer, "Luke's hard work and determination leading up to his senior year made him one of the leaders on one of Columbus Grove's best defenses. Each week we elect captains based on our team's core values. Luke was consistently voted captain the weeks we focused on "Integrity". Not only was Luke a leader on and off the field, he also led in the classroom where he was named Academic All Ohio. In order to receive this award you have to have a min 3.5 GPA and receive conference, district or state achievement. Luke was named 2nd team All State." Mr. Schafer shared a picture from Luke's 9th grade year and stated, "If this kid can play and be an all-state football player, then anyone can..."

With these positive qualities constantly on display, the Columbus Grove High School Guidance is pleased to award the January Senior in the Spotlight to Luke Kaufman.
